# A Legacy of Love

*The 1916 Society* was established to honor the philanthropic tradition of Dr. James and Fannie Rosecrance, whose commitment to help children has endured for nearly a century.

---

They wanted their New Milford home to become an orphanage for boys, and they provided in their wills for the dream to become reality. Their legacy of love, Rosecrance Memorial Home for Children, opened its doors in 1916.

Through the years, other philanthropists have been inspired by their shining example. Donors who remember Rosecrance in their wills or trusts help children, youth, adults and families have access to addiction treatment for many years to come.

Members of *The 1916 Society* become a permanent part of the Rosecrance story because their philanthropy honors tradition at the same time that it ensures the future.

# The 1916 Society

- Thanks our friends for their philanthropic commitment of future support to Rosecrance.
- Honors our friends for their legacies of love to Rosecrance and to those who struggle with substance abuse addictions.
- Assures our friends that quality treatment and compassionate care will be available for present and future generations.

## An Invitation for You

Membership in *The 1916 Society* is available to friends of Rosecrance who have made future gifts to Rosecrance.

These gifts may include a bequest made through a will or trust agreement, a charitable gift annuity, a charitable remainder trust, a life insurance policy, etc.

There are many ways to make a planned estate gift. Participation will be confidential if desired.

---

If you would like to become a member of *The 1916 Society*, or would like more information, please call The Rosecrance Foundation at 815.387.5602.
