

Rosecrance Griffin-Williamson Campus Family Education Program

Rosecrance believes that a significant part of recovery and healing from the disease of addiction is family participation and education. Therefore, each family is mandated to participate in our Family Education Program. All family members age 10 and above, may attend. You only come once to a family education weekend, not every weekend.

Family Education Program/Weekend Outline

Friday, 2:00 a.m. - 5:00 p.m.

- Welcome; overview of weekend and beginning education

Saturday, 8:30 a.m. - 5:00 p.m.

- Families are joined by their adolescent for most of the day
- Continental breakfast and lunch will be served
- Lectures and activities revolving around addiction and family

Sunday, 8:30 a.m. - Noon

- Continental breakfast served; joined by adolescent
- Recovery and relapse prevention topics

- We believe in the importance of family involvement in the adolescent's recovery.
- Studies have shown that the more the family is involved in the treatment process, the more positive the outcome for the adolescent and the family.
- The cost of the Family Education Program is included in the cost of the patient's treatment stay.
- Families are responsible for transportation, lodging, if needed, and meals apart from the education weekend. (See back side for hotel information.)
- Once families have completed the Family Education Program and patients have reached the sponsor level in their treatment group, they will be eligible for time off campus together called a TLOA (therapeutic leave of absence).
- Families are encouraged to come to Family Support Group and Visitation before and after the Family Education Program.

Family Support Group and Visitation Schedule

Date	Family Support Group Time	Visitation Time	Groups
