Why Rosecrance?

Rosecrance provides the best opportunity for lasting recovery. Our practical, honest approach to addiction treatment prepares patients and families for life beyond treatment. Our enlightened staff offers the support and tools needed to begin the journey to lasting recovery.

GRIFFIN WILLIAMSON CAMPUS

Located on 50 scenic acres, this 67,000 square foot, 78-bed treatment center for adolescents ages 12-18 includes an on-site school, a chapel, a gymnasium and fitness center, and an outdoor dining patio. The open living space in each patient wing overlooks a beautiful healing garden and woods.

Programs include:

- Initial biopsychosocial assessments
- Residential inpatient treatment
- Outpatient treatment
- Partial hospitalization
- Gender-specific counseling
- On-site school
- Integrated experiential therapies
- Extensive family programs
- Recovery Lifeline
- Alumni program

MONARCH RECOVERY HOMES

Monarch is a long-term residential recovery program for adolescents ages 14-18. This program is designed to develop independent living skills

and provide on-going support, safety and counseling in a drug-free environment for adolescents who have completed a primary treatment program. Rosecrance has two Monarch Homes: a beautifully restored, turn-of-the-century home in a residential neighborhood, and a warm, prairie-style home on the Griffin Williamson Campus.

Programs include:

- 12 Step meetings
- Individual and group counseling
- Family education and counseling
- Secondary/higher education opportunities
- 24-hour supervision
- Relapse prevention, interpersonal and independent living skills building
- Discharge planning for successful reintegration into family and community

HARRISON CAMPUS

This contemporary 56-bed adult treatment center is designed to provide a therapeutic milieu conducive to recovery. Nestled on 10 acres of park-like grounds, the center includes open living and recreational space, outdoor dining, a childcare center and playground, chapel and fitness center.

Programs include:

- Initial biopsychosocial assessments
- Residential inpatient treatment
- Partial hospitalization
- Outpatient treatment
- Gender-specific programming

- Young adult program for men
- Special outpatient programs for women with children and on-site childcare
- Family program
- Continuing care
- Alumni program

THE HEALTH CENTER

The Health Center, located at the Harrison Campus, consolidates medical services under one division in order to better serve the needs of our patients. The Health Center is the access point to detoxification services on a 24/7 basis. Physicians, nurses, health specialists, unit technicians and clinical counselors work together with the patient to ensure that physical and medical needs are met while exploring which treatment option provides the best opportunity for lasting recovery.

Highlights include:

- 24-bed, medically monitored, detoxification unit for men and women
- Patient Access Counselors (PAC) who assess every individual and provide discharge planning and referrals
- A safe, therapeutic environment to withdraw from the drug(s) and prepare for the next treatment step
- MARC (Medically Assisted Recovery Clinic) offers an alternative, evidence-based treatment method for opiate addicted individuals through the controlled use of Suboxone

FAMILY SUPPORT SERVICES

Our adult and adolescent family support services help members of the family learn about the disease of addiction in a holistic manner. Our family programs are designed to provide answers to questions—not only how to cope with a loved one's addiction, but how the experience has affected the whole family.

Highlights include:

- Family support groups
- Family education weekends
- On-site visits
- Individual sessions and discharge planning

SATELLITE OFFICES

To better serve the needs of our Chicago area clients, Rosecrance has three outreach offices. These offices are discreetly located in professional office buildings in Frankfort, Naperville and Northfield.

Services offered:

- Free confidential drug and alcohol evaluations
- Early intervention services
- Assistance to families who need help finding resources
- Prevention education and presentations for parents and students
- Training and education for professionals and community organizations
- Alumni program
